

On the Minds of the STS Detailer:

Hey STS2 and STS3...Are You Qualified Sonar Supervisor? You should be...most in-rate STS shore billets require you to be Sonar Sup qualified.

Consider extending on-board or split touring to complete your senior in-rate quals and increase your chances of getting a desirable shore assignment. Read more about your rate here:

<http://www.public.navy.mil/bupers-npc/enlisted/community/submarine/Pages/SECF.aspx>

On the Minds of the STS Detailer: pt 2

You Want To Extend At Your Current Command... now what? MILPERSMAN 1306-124 will tell you how. Contact your Detailer Today and submit a request AT LEAST 12-9 months from your PRD.

- Be Aware: Extension requests inside your 9 month CMS window are not viewed favorably by Detailers.

Read MILPERSMAN 1306-124 for more! <http://www.public.navy.mil/bupers-npc/reference/milpersman/1000/1300Assignment/Documents/1306-124.pdf>
