## VALUE TO THE DON

- Improves DON buying and negotiating power for maximum discount and cost avoidance
- Increases visibility of software assets and usage to better plan for and manage inventory and future requirements
- Standardizes the acquisition process and provides software and maintenance to DON customers quickly at the best prices and terms and conditions without the need for individual purchase Justifications and Approval (J&A) documentation
- Provides a follow-on enterprise buying strategy that leverages the DON's buying power while minimizing the risk of shelf waste and promoting transferability

## WHO CAN USE THE DON ACTIVITY IDENTITY ESL AGREEMENT?

The DON ESL Agreement for Activity Identity is open for ordering by the DON. The DON Activity Identity ESL Ordering Guide provides detail on those ordering entities considered to be authorized users.

The use of this agreement is mandated per the 22 February 2012, DON Chief Information Officer (CIO)/Assistant Secretary of the Navy (ASN) (Research, Development & Acquisition (RDA)) and Assistant Secretary of the Navy (ASN) (Financial Management and Comptroller (FMC)) memorandum to achieve maximum cost savings.

## HOW TO ORDER

The ordering of licenses and maintenance under this Agreement is semi-centralized via four responsible organizations:

- Navy Next Generation Enterprise Network (NGEN) (through PMW 205)
- Navy Non-NGEN (through PMW 130)
- USMC NGEN (through MCSELMS)
- USMC Non-NGEN (through MCSELMS)

Activities should coordinate with their respective organization/program office and follow their current ordering/funding processes to place orders under this agreement.

For detailed ordering instructions and templates, refer to the Activity Identity Ordering Guide, available using the following url: [https://navy.deps.mil/peoeis/sites/pmm110/activityidentity\\_esl/default.aspx](https://navy.deps.mil/peoeis/sites/pmm110/activityidentity_esl/default.aspx)
