- **DUNS:** 114719003

The use of DON ESLs are mandated per the 22 February 2012, DON Chief Information Officer (CIO)/Assistant Secretary of the Navy (ASN) (Research, Development & Acquisition (RDA)) and Assistant Secretary of the Navy (ASN) (Financial Management and Comptroller (FMC)) memorandum to achieve maximum cost savings.

## WHAT IS COVERED UNDER THIS AGREEMENT?

The DON Microsoft II Enterprise Software Licensing (ESL) Agreement includes new Licenses plus Software Assurance (SA); SA Only for existing licenses; Subscriptions; and SA Step-Up (SASU) for software products within the functional categories listed below:

Categories	Description	Examples
<b>Business Solutions</b>	Includes financial, auditing, contracting, and customer service software	Dynamics Customer Relationship Management
<b>Client Access Licenses (CALs)</b>	Gives users or devices the right to access the services of a server (universal DON employee/contractor access)	Enterprise or Core CALs
<b>Developer Tools</b>	Assists programmers and administrators in customizing software options to meet requirements	Visual Studio
<b>Management Tools</b>	Provides configuration management, metrics, and asset tracking	System Center Products
<b>Office Applications</b>	E-mail, word processing, spreadsheets, presentations	Outlook, Word, Excel, Power Point, Publisher, One-Note, Access, Visio, Project
<b>Operating Systems</b>	Controls and directs computer operations and programs	Windows 7, 8, 10, etc.
<b>Utility</b>	Firewalls, security, data restoration, back-up	Forefront Protection Suite
<b>Software Assurance</b>	Benefits that enable a user to make productive use of the software and their investment	Upgrades, Help Desk, Planning Services, Training, Mobility, Roaming Rights, Extended Hotfix, and Home Use
<b>Subscriptions</b>	Web-access applications identified as a product and not a service	Virtual Desktop Subscriptions, Desktop Optimization, Bing Maps
<b>Server Software</b>	Provides network access to common and specialty applications & back-up support	Windows, Systems Center, SharePoint, Exchange, SQL

## VALUE TO THE DON

- Improves DON buying and negotiating power for maximum discount and cost avoidance.
- Increases visibility of software assets and usage to better plan for and manage inventory and future requirements.
- Standardizes the acquisition process and provides MS software and benefits to the DON customers quickly at the best prices and terms and conditions (Ts&Cs).
  - Reduction of localized project/contracting competition efforts (Use of Non-DoD contracts memo, Justification & Approval and DD 2579 approved for all orders placed under the BPA).
  - Quotes can be quickly obtained through [Navy@Insight.com](mailto:Navy@Insight.com).
- Provides a follow-on enterprise buying strategy that leverages the DON's buying power while minimizing the risk of shelf waste, promoting transferability, and increasing efficient use and management of benefits.
- Core CAL standardization across DON and all enrollments at User level covering multiple devices.
  - All DON employees and contractors are now licensed to access Microsoft servers from any authorized device.
- Mobility, remote access, cloud pilots, and “bring your own device” initiatives are now easier and less complicated to implement.

## WHO CAN USE THE DON MICROSOFT ESL AGREEMENT?\*

- DON Headquarters
- Navy Programs and OPFORS
- Marine Corps Programs and OPFORS
- All Navy and Marine Corps bases, installations, and field activities
- Reserve components
- GSA (on behalf of DON)
- U.S. Coast Guard\*\*
- Contractors (on behalf of DON)\*\*\*

\* All orders must identify the correct DON Budget Submitting Office responsible for future sustainment of licenses. \*\* When operating as a part of the Navy pursuant to law. \*\*\* If authorized by their respective Contracting Officer in accordance with the requirements of FAR Part 51, Use of Government Sources by Contractors, and/or DFARS Part 251, Use of Government Sources by Contractors, as appropriate.

## HOW TO ORDER

The ordering of software products available on the DON Microsoft ESL Agreement is decentralized and the responsibility of each Budget Submission Office (BSO) and/or Program Office. Navy Customers should use their contracting organizations to process orders and Marine Corps Customers should use the Information Technology Strategic Sourcing (ITSS) shopping cart to process orders in accordance with FAR Part 16.505. Specific ordering guidance for the DON can be found at the following url: <https://navy.deps.mil/peoeis/sites/pmm110/microsoft/default.aspx>
